# Cervitec® Liquid

For professional oral hygiene in the dental office and at home

Cervitec Liquid – the alcohol-free mouth rinse featuring an optimized care formula

## Optimized care formula

The optimized care formula of Cervitec® Liquid contains xylitol, the provitamin D-panthenol and chlorhexidine. The alcohol-free mouth rinse is suitable for susceptible individuals. Cervitec Liquid is gentle on sensitive gums, periimplant tissue and the oral mucosa.

## Pleasant taste

Patients like to use Cervitec Liquid because of its mild mint taste. The soothing ingredients make the mouth feel good and freshen the breath.

## Wide range of applications

Cervitec Liquid is ready-for-use. It assists in the treatment of gingivitis, mucositis, denture stomatitis, periodontitis and periimplantitis and high germ counts.

## Cervitec® Liquid – the alcohol-free mouth rinse

### Advantages

Xylitol, provitamin D-panthenol plus 0.1% chlorhexidine
